SEOmatic

FOR OUR CLIENTS

Keeping your new website found on Google

What happens after launch, and the tool we recommend for it.

SEOmatic

THE PROBLEM

A website does not improve on its own

Google keeps showing which searches it almost ranks for. Customers ask ChatGPT for recommendations, too. Someone has to act on both.

SEOmatic

WHAT SEOMATIC DOES

AI agents read your Google data and rank the work

They start from your Google Search Console, so the work begins where your site already shows up.

SEOmatic

ON YOUR SITE

They make the changes, and you decide what ships

Fixes, page updates and new pages on WordPress, Shopify, Webflow and more.

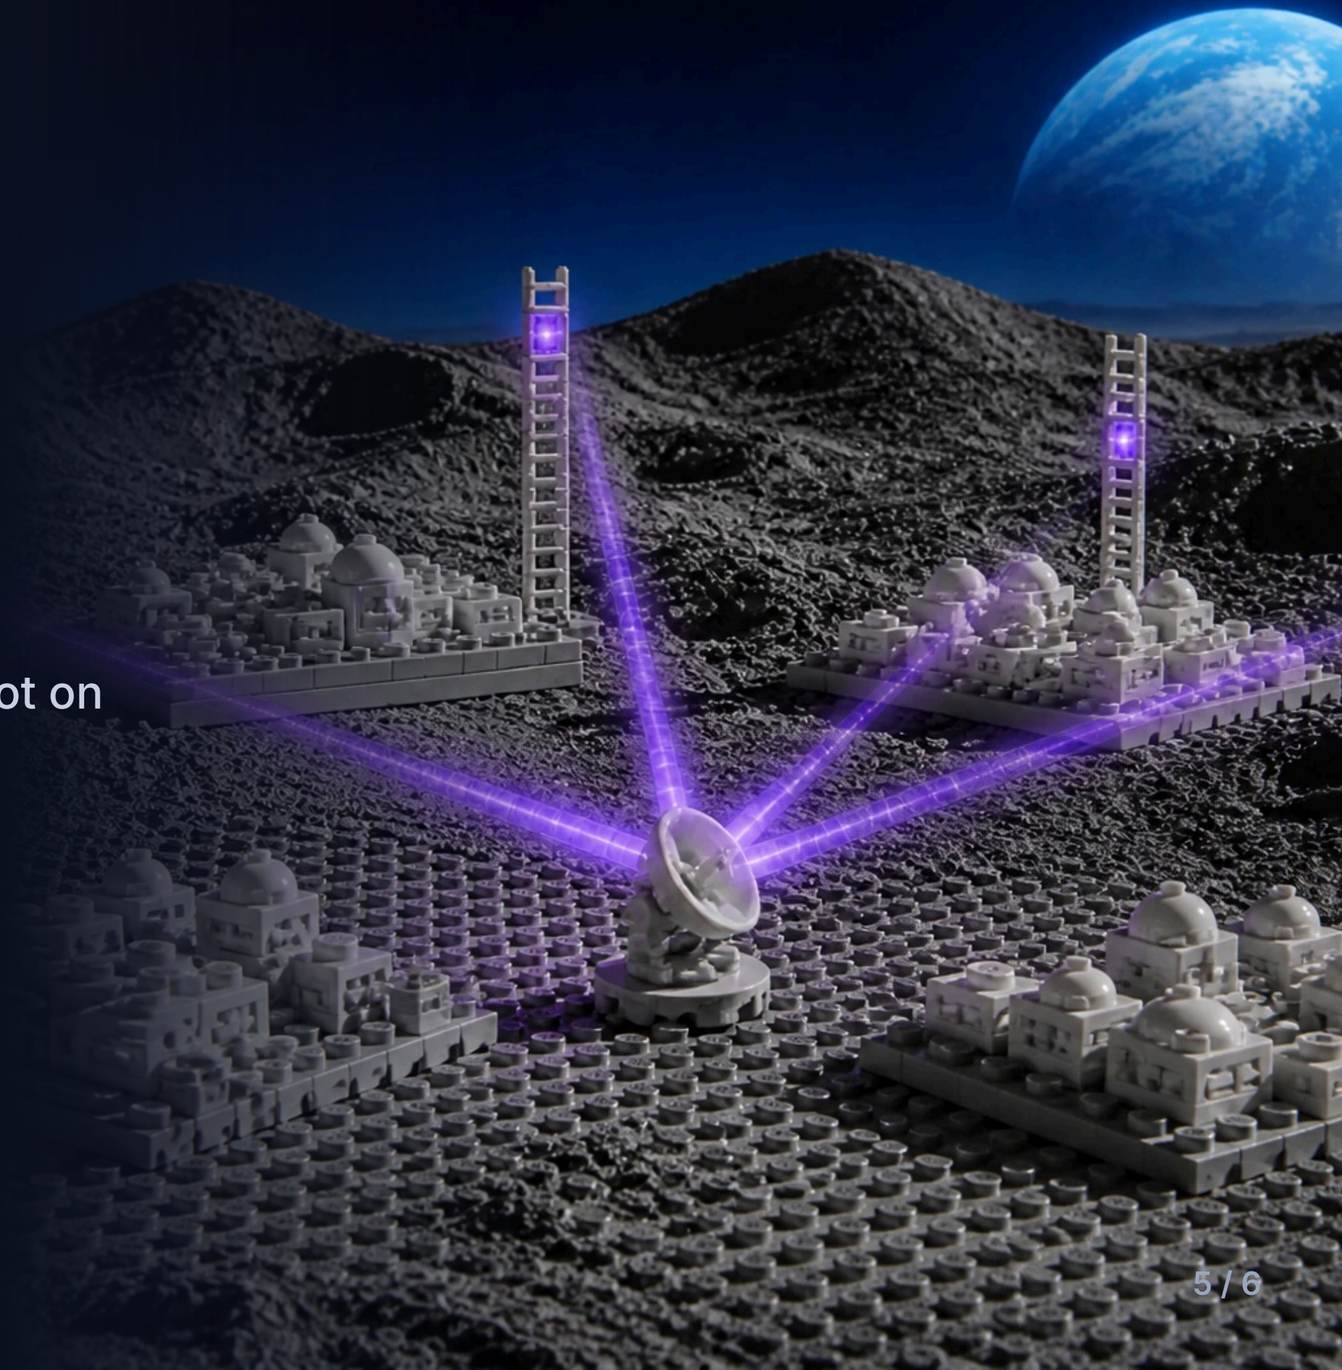

SEOmatic

AFTER

They show what moved

Daily rankings for the searches you track, your spot on Google Maps, and whether AI answers name your business.
